ABOUT CHAD EVERETT

Award winning Chad Everett creates a work of art that many try to recreate with little success. As founder and CEO of Galaxy Productions and Visions Event Design, Chad had his creative finger on the pulse of new trends and innovations before they become realities. Born to entertain, his artistic and theatrical background has brought him numerous awards and accolades over the years. From early design and conceptual stages to production and execution, Chad does not skip a beat. He has brought together a team of talented and dedicated people to ensure that every event sets a new standard for excellence. No event is ever the same and amazement is always accomplished. Everyone that has had the pleasure of hosting or attending one of Chad's

mind-blowing events speak very highly of their experience. "Can't" is not in Chad's vocabulary. If it can be imagined then it can be created. From ariel drummers and performers to working his imaginative ways with decor and lighting, there is nothing that Chad Everett cannot accomplish.
